

Tuition Support

At Bixby School we believe that our community is enriched by families and students from many different backgrounds and therefore a Bixby education should be accessible to as many families as possible. Our goals are to welcome and support qualified students and their families, including those who may not be able to attend our school without tuition support or scholarships.

All tuition and scholarship awards are based on a family's demonstrated need, and they are available to families in our K-5 program or families who have children in both our K-5 and Preschool program concurrently enrolled. We are currently not able to offer financial support to families who are enrolled in our Preschool program only. In order to determine a family's financial need, Bixby School has partnered with RenWeb Grant and Aid. This allows RenWeb Grant and Aid to provide Bixby School with a Family Contribution Statement that will be used to determine the amount of aid awarded for the upcoming school year. In addition, copies of your family's income tax returns, W-2s, K-1s and 1099s must be provided to RenWeb Grant and Aid directly. All information received will be held in strictest of confidence.

Please familiarize yourself with the information regarding our tuition support and scholarship policy as well as our procedures, and application timelines so you are well aware of deadlines and eligibility requirements.

Please feel free to contact Megan McGlynn should you have any questions at meganm@bixbyschool.org

We are looking forward to collaborating with you!

Sincerely,

Your Tuition Support Committee
